

Shah Deniz: Delivering on commitments

Matt Kirkham

bp vice president projects, AGT, Middle East and North Africa

Helping meet energy demand

- Robust global demand for oil and gas to 2035
- bp is growing its upstream to deliver more energy
- Shah Deniz and SGC remain key for region and Europe

Shah Deniz: performing safely and efficiently

~28bcm

gas
produced

~35mmbbl

condensate
produced

>99%

reservoir, wells &
export reliability

underpinned by safety

as number one priority

Next step for Shah Deniz
