Foreign VAT & Excise Duty

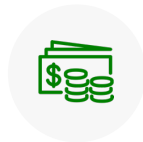

Net-invoicing VAT

VAT is reimbursed on the bp invoice where it is charged.

Fast Refund VAT

VAT is paid to the customer within **14 days** after Tax Refund Partner has received the third-party invoices.*

Normal Refund VAT

Customer receives the amount after the authority refunds the VAT.

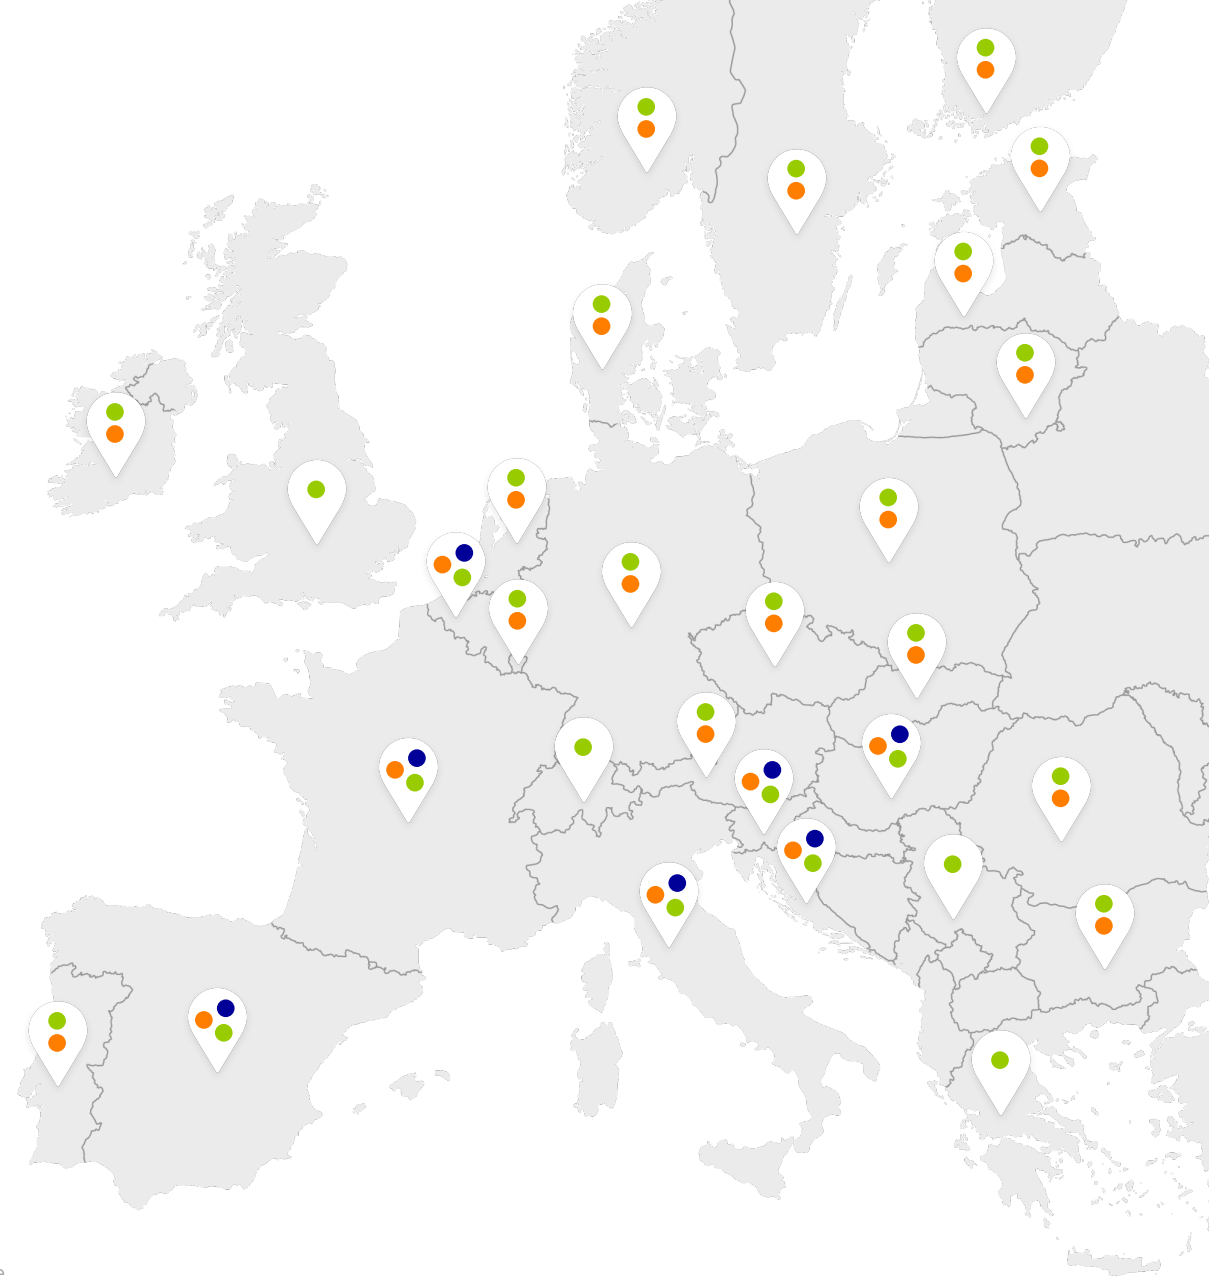

Normal & fast* Excise Duty Refund

Only available for refuelling in Belgium, Croatia, France, Italy, Spain, Hungary and Slovenia.

Applicable to EU-based companies and trucks weighing more than 7500kg.

*Fast refund applies to third-party invoices. In case of non-EU customers and foreign residents fast refund applies to all invoices. There is an exception for foreign residents for Polish cards, such as in the case of a Lithuanian company with a Polish card and Polish VAT. In this case net-invoicing is applicable.
